DOG LICENCES

Don't forget every dog over 6 months of age must have a dog licence from your Parish Hall, they must be bought or renewed by the end of January unless it is a new dog.

HAPPY New Year to all our members and supporters. I trust you had a Good Christmas and that your dogs are all in good health and didn't

manage to get hold of any Christmas foods that they shouldn't have. I hope you are looking forward to a new training term and all the events that will be coming up.

There maybe a possibility of some extra show training coming up on a different night at a different venue in the weeks leading up to the Kennel Club's Channel Island Dog of the Year. If you are interested in these extra sessions please speak to Claire on the first night of term.

The committee are also collecting items to sell at car boot sales so if you are having a

clear out and have some good quality items we can sell please bring

TRAINING TIPS

Make sure that you have some nice, tasty treats if you are training your dog with food. Your dog will work much better if the reward is worth having. Would you work for a dry biscuit or a chocolate biscuit?

Also please be aware of what your dog is doing at training. Not all dogs like other dogs in their personal space.

them in on training nights. The club now has a mascot who will be seen out and about, I believe there will be a competition to name him so please ask at the table for details.

Annual membership and spring term training fees are now due. Please pay promptly as the committee waste a lot of time chasing unpaid fees. Annual membership is now £12 for a single membership and £20 for a family membership; training fees are staying the same.

I will be away from club for at least half of the term due to a second knee operation. If you need to contact the club please telephone one of the other committee members.
