

Jersey Junior Dog Handlers Association

Newsletter, September 2014

FIRST I must apologise for the lack of a newsletter in April. I have had three family bereavements this year as well as a major knee operation. I am pleased to say that club members have been actively & successfully taking part in showing, obedience and agility. Members attended Crufts and have also done well at UK shows. Former Jersey Junior Adrian Marett judged the Cesky Terriers at Crufts becoming the second youngest person to judge this prestigious show.

We continue to run the Good Citizen Dog Scheme and have held Bronze and Silver tests this year. Our show handling class continues to thrive under the watchful eyes of Collette Allen and Angela Steel. The rally classes are also increasing in attendance under the guidance of Robyn Boschat and Briony Price. I would personally like to thank Christine Taylor who stepped in to run my classes while I was out of action after my operation. I am also pleased to say that Ro Cox is now eligible to test Bronze, Silver and Gold Good Citizen tests.

At the end of the spring term we held a 'fun' obedience competition which included dogs of all abilities taking part in obedience exercises but with the emphasis on fun. I think 'temptation ally' was the funniest with the dogs having to ignore toys and treats that were laid out on route to their owners. In April the club once again helped Channel 103 with their sponsored dog walk making us eligible for some of the proceeds.

In July we held serious Limited and Open obedience shows at the Jersey Accommodation & Activity Centre with UK judge Julia Harbord. Julia is no stranger to Jersey having come many years previously to judge the obedience section of the Juniors Easter Team Match. The weekend must have been one of the hottest of the year with Julia cutting the stays drastically in the higher classes as it really was too hot for the dogs. I am pleased to say that with running a two-day event we

TRAINING TIPS

Make sure that you have some nice, tasty treats if you are training your dog with food. Your dog will work much better if the reward is worth having. Would you work for a dry biscuit or a chocolate biscuit?

Also please be aware of what your dog is doing at training. Not all dogs like other dogs in their personal space.

attracted competitors from Guernsey.

The summer term ended with the now traditional BBQ ably cooked by Mick Marett. Now as we ease into the autumn term watch this space or the website or the Facebook page for up to date information and events to look forward to. If you do not like any of this modern technology then we will have some good old fashioned paper information at the desk on training nights.

I am hoping to arrange a First Aid for Dogs talk with Ian Cox from the New Era Veterinary Hospital. We do have a Companion Dog Show on November 16 at the Royal Jersey Showground with proceeds going to 'Hounds for Heroes'. Our AGM/Christmas Raffle/Christmas Buffet is on Tuesday November 25.

Now that the evenings are pulling in please make sure that you and your dog are wearing something reflective if walking at night to keep you both safe.

CHRISTINE MARETT

IMPORTANT NOTICE

Due to Health and Safety issues flexi/extending leads are not permitted as a training lead at club.
